

Season start—a word from the President

Welcome to the 2013 season old players and new!

Well this year has got off to a great start with a packed house at the AGM and some new committee members coming on board, along with the sad departure of a few long standing members of the committee. I would like to thank those who have helped make our club great and have now willingly stepped aside to encourage some new members to continue to bring us forward. Departing the committee this year was:

Donna Miley; Trish Green; Meryllyn James; Annette Myors (semi retired)

Joining the committee this year were the following volunteers:

Najette Alaraibi; Marnie Lyons; Cheryl Parcell & Annie Walton.

As always thanks to everyone who helped out during registration and grading - the club cannot continue to run and grow without these volunteers.

This season the club has 25 teams playing at Fremantle, 12 seniors, 2 19's, 2 17's and 9 junior teams. That means we had at least 20 volunteer coaches and a lot of new junior umpires getting involved this season.

Also this year we introduced a new uniform to update the clubs look. This was strongly supported by all players and parents with all players and teams going out in our new uniforms in Round 1. Big thanks to Amy Eaton who co-ordinated the ordering and distribution to all 200+ girls.

With that said I just want to wish all the players, coaches, umpires and supporters all best for the 2013 season!

Stacy

Coaches 2013

With this many teams it is never an easy task finding coaches for all teams. Many people have put their hand up for the first time this season and this is always greatly appreciated. The following people are new coaches for our club in 2013:

Jen Wilkes; Nathan Bentley; Ash Brice & Rhiannon Greedy; Steph Davis & Alyce Ingersole; Leah Birch & Kristy Baldacci; Cheryl Parcell; and Shaunda Hardingham.

And of course the club is always appreciative of the coaches who sign up for yet another year!! Without the coaches and team managers volunteering their time there would be no Willetton Netball Club.

THANKS AMY!

The Willetton Netball Club and in particular the 2013 committee would like to extend a huge

THANK YOU

to Amy Eaton, in appreciation for all her hard work ordering, processing, and distributing the new uniforms. A difficult job very well done.

modeling our new uniform

As happens every year not all teams will be in the ideal grade but any grade will allow for development, particularly for our juniors. Teams finding games a challenge on the scoreboard (winning or losing) are encouraged to use the season to concentrate on skills and game play instead of end results. And a reminder that rotating positions for junior players builds stronger & more versatile netballers for the future.

JUNIORS PLAYING & VOLUNTEERING

Some of our wonderful juniors have volunteered for roles in the club this season.

Those coaching or assistant coaching include : Laura Meachim; Ashleigh Brice; Rhiannon Greedy; Tamika Canny; and Carly Sherar.

Others have been involved with umpiring:

Alice; Amy; Anneliese; Ashlee; Carly; Cherralee; Claire; Emma; Erika; Gillian; Hannah; Holly; Jess; Kahawa; Leanne; Margaret; Mikayla; Millie; Ni; Paige; Persis; Shani.; Rhiannon; Alyx and Laura.

And three juniors have volunteered as representatives on the junior sub-committee: Ashleigh Brice, Laura Meachim & Dana Rajanayagam.

Thank you to all—you are the future of our club.
