

Newsletter July 2015

President's Summary - Welcome back everyone!

Hopefully everyone has taken the Bye weekends to rest, relax and recuperate to be ready for the final home run of 6 games before our finals campaigns start! At this fresh re-start, it's also a good time to reflect and thank everyone for their commitment to the season so far. We have had many teams this season who have been short of players due to injury, illness and the odd sneaky holiday and it has been fantastic to see how many players, parents and umpires have stepped up to help out others in the club!

As always make sure you thank your umpire! Each week these, players, parents and volunteers umpire our games allowing us to play the game we love, even when it's cold, wet and miserable. This is also a timely reminder to ensure you show respect to the game officials as we pride ourselves on doing a Willo. We all know sometimes the calls might not go our way or seem "fair" but please remember that these umpires are volunteers, not always qualified umpires and without them we wouldn't get to play at all!

Mid-season thanks also goes out to all our coaches, great job so far everyone. And also to the committee, who without we would not be able to maintain a club of our size, their behind the scene work continues ensuring the season runs smoothly for all of us.

To wrap up please make sure you check out our upcoming events in the rest of this newsletter and continue to play with respect to all players, coaches and umpires to keep the reputation we have at Willo as a dedicated, clean, quality club.

Goodluck in the upcoming games!!!

Be Willo, Be Proud

We have four teams in the top spot! Well done!

20 out of our 26 teams are in the top four, great work!!

With the remaining 6 games, let's keep that top spot, move into top spot, move on up, stay in the top four or make it into the top four to make finals. Above all, have fun and enjoy your netball.
